El Proyecto de Grad en una organización sin fines de lucro en todo el estado dedicado en proveer una noche segura y sobria, estadísticamente la más peligrosa para manejar de noche para los jóvenes. ¡Y trabaja! ¡Desde el lanzamiento del Proyecto de Graduación en 1987, no han habido muertes relacionadas con la graduación en el Condado de Sonoma!

Planeado, patrocinado, y con un grupo de padres voluntarios, esta fiesta de toda la noche se ha vuelto algo esperado ansiosamente por los estudiantes seniors de la preparatoria Santa Rosa High. La meta del comité del Proyecto de Grad de SRHS es simple—de mantener nuestros hijos/hijas seguros. Esperamos en lograrlo por medio de la celebración tan espectacular que estamos planeando y así atraer a TODOS los graduados que asistan.

La última semana de la fiesta, hay un gran esfuerzo de poner las decoraciones que transforman la escuela y la que requiere aproximadamente 100 voluntarios para lograr esta tarea.

Como Puede Ayudar:

- Done al April Fool's Day Ball (Baile del Día de los Inocentes de Abril): página 4
- Sea voluntario para hacer decoraciones, ayude con los preparativos o limpieza, y/o ayudar durante la fiesta: página 6
- Done los premios, comida, bebidas, y/o becas: página 8
- Asista al Torneo de Golf en el Dry Creek Rancheria: página 8
- Alquile el traje o hagan que su pareja alquile su traje para el baile prom de los juniors/seniors de la tienda Selix: página 8
- Registre su senior temprano para el Proyecto de Grad: página 10
- Dele a su senior las reglas de la fiesta: página 8

Luego, la noche de la fiesta, 250 padres-voluntarios del 9no -11vo grado son necesitados para mantener el show. La mañana después, otro grupo llega para limpiar las decoraciones.

Recuerda que el continuo éxito del Proyecto de Graduación de SRHS depende de la participación de todos los familiares de SRHS. Tu contribución será pagado muchas veces cuando su hijo/hija se gradúe y se vaya solo/a a un lugar seguro, sobrio, y una noche de fiesta memorable.

Fíjate a este boletín informativo. Donde puedes ayudar para que el Proyecto de Grad continúe en ser el mejor lugar para los Panthers graduados y celebren en el 2010.

Inside Story Headline

The purpose of a newsletter is to provide specialized information to a targeted audience. Newsletters can be a great way to market your product or service, and also create credibility and build your organization's identity among peers, members, employees, or vendors.

First, determine the audience of the newsletter. This could be anyone who might benefit from the information it contains, for example, employees or

people interested in purchasing a product or requesting your service.

You can compile a mailing list from business reply cards, customer information sheets, Business cards collected at trade shows, or membership lists. You might consider purchasing a mailing list from a company.

"To catch the reader's attention, place an interesting sentence or quote from the story here."

Inside Story Headline

Next, establish how much time and money you can spend on your newsletter. These factors will help determine how frequently you publish your newsletter at least quarterly so that it's considered a consistent source of information. Your customers or employees will look forward to its arrival.

Your headline is an important part of the newsletter and should be considered

carefully.

In a few words, it should accurately represent the contents of the story and draw readers into the story. Develop the headline before you write the story. This way, the headline will help you keep the story focused.

Inside Story Headline

Examples of possible headlines include Product Wins Industry Award, New Product Can Save You Time, Membership Drive Exceeds Goals, and New Office Opens Near You.

One benefit of using your newsletter as a promotional tool is that you can reuse content from other marketing materials, such as press releases, market studies, and reports. This is the Basics of a Newsletter.

While your main goal of distributing a newsletter might be to sell your product or service, the key to a successful

newsletter is making it useful to your readers.

A great way to add useful content to your newsletter is to develop and write your own articles, or include a calendar of upcoming events or a special offer.

You can also research articles or find "filler" articles by accessing the World Wide Web. You can write about a variety of topics but try to keep your articles short.

Much of the content you put in your newsletter can also be used for your Web site. Microsoft Word offers a simple way to convert your newsletter to a Web publication. So, when you’re finished writing your newsletter, convert it to a Web site and post it.

The subject matter that appears in newsletters is virtually endless. You can include stories that focus on current technologies or innovations in your field.

You may also want to note business or

economic trends, or make predictions for your customers or clients.

If the newsletter is distributed internally, you might comment upon new procedures or vendors needs.

Selecting pictures or graphics is an important part of adding content to your newsletter.

¡Hang Ten!

El tema del Proyecto de Graduados este año es **¡Hang Ten!** Un término común dentro del *surfing* de los años '60's, *Hang Ten* es el arte de caminar hacia la punta de la tabla de *surf* (¡mientras se está surfeando!) para luego colgar los dedos de los dos pies sobre el borde. El uso del término se ha extendido más allá del deporte de *surfing* y generalmente se

emplea para referirse a algo que se hace con tino o delicadeza, para comunicar la idea de lanzarse adelante en un camino riesgoso—una metáfora quizá para la vida del alumno recién graduado del bachillerato. Así que... **¡Hang Ten cuando puedan!**

Presentación Preliminar del Proyecto de Grad

28 de mayo de 2010, 4:30-5:30 PM, Entren por la entrada principal del Gimnasio Norte (North Gym)

Se les invita a todas las familias de SRHS a tener una vista preliminar de las decoraciones del Proyecto de Graduados (Project Grad). Favor de no llevar *seniors* o sus hermanos que se encuentren en la secundaria o bachillerato (*middle school* o *high school*) ya que queremos que el Proyecto de Graduados sea una sorpresa para ellos cuando les toque. Si creen que sus hijos de 5° y 6° grados tengan una muy buena memoria, tal vez quieran hacerlos esperar afuera también.

Dias de Trabjar en las Decoraciones

27 de marzo, 3 de abril y 17 de abril, de las 10am-3pm, en el lugar que será nombrado después

Por favor póngase en contacto con Margaret Kirk el smckirk@sonic.net si quiere ayudar con algunas de las fechas precedentes. Es muy divertido estar con otros padres, compartir historias y ayudar para crear un ambiente fantástico.

Acerca de Nuestra Organización . . .

El Proyecto de Graduados de Santa Rosa High School es manejado completamente por padres voluntarios. Somos un comité formado por aproximadamente 35 padres de familia de alumnos de todos los grados. De septiembre a mayo nos reunimos el tercer martes del mes a las 7:00 PM en la biblioteca de la escuela para planear y organizar la mejor y más grande fiesta para nuestros *seniors*, que están por graduarse. Todos los padres de familia son bienvenidos a participar en nuestras reuniones y siempre estamos en busca de voluntarios para llenar algunas de las posiciones dentro de la organización.
